Subj: REFERRAL OF NAVSEA INSPECTOR GENERAL COMPLAINT
CASE 201601061

Ref: (a) COMNAVSEASYS COM IG ltr 5041 Ser 00N/132 of 1 Jun 16

1. Per reference (a), the subject complaint was referred via Naval Undersea Warfare Center (NUWC) to Naval Sea Logistics Center (NSLC) for action.
2. In response to reference (a), paragraph a., an initial preliminary review was conducted on the complaint alleging contract fraud by a defense contractor failing to produce work as required by the contract. It was discovered that the contract involved is a Naval Sea Systems Command (NAVSEA) SEA 06 contract (Contracting Officer's Representative (COR): Ms. Gloria Pando-Terrill, SEA 06L4), and NSLC is unable to investigate as this is outside their jurisdiction. This specific portion of the complaint referral is being returned to NAVSEA for appropriate action.
3. Complaints addressed by paragraphs b. through d. of reference (a) were handled through internal inquiry or investigation and as non-substantiation resulted, corrective action was not required. Paragraph e. of reference (a) is being handled by the Office of Special Counsel.
4. This letter closes response requirements for the subject referral.
5. My point of contact is Mr. Robert Pjojian, NUWC HQ Staff, at commercial telephone (401)832-6745, or email robert.pjojian@navy.mil.
